Subject: Request for Development of Bilingual Marketing Materials

Dear [Recipient Name],

I hope this message finds you well. As we continue to expand our reach within diverse communities, it has become evident that the demand for bilingual marketing materials is increasing. To effectively engage our target audience, it is essential that we provide content in both [Language 1] and [Language 2].

We believe that by developing bilingual materials, we can enhance our marketing efforts and improve accessibility to our offerings. This initiative will not only cater to our existing customers but also attract potential clients who prefer communication in their native language.

I kindly request that we begin the process of creating these bilingual resources as soon as possible. Please let me know how we can collaborate on this project and any necessary steps we need to take.

Thank you for your attention to this important matter. I look forward to your prompt response.

Best regards,
