Dear [Utility Company Contact Name],

I am writing to formally request the installation of a dual electric meter at my property located at [Your Property Address]. Due to [briefly explain the reason for the request, such as an additional unit on the property, increased energy needs, etc.], I believe that having a dual electric meter would be beneficial for accurate billing and management of energy consumption.

As of now, I am currently utilizing [current setup details], and this arrangement has proven to be inefficient. I would like to propose the installation of a second meter to address these issues more effectively.

I appreciate your consideration of my request and am hopeful for a positive response. Please let me know if you need any additional information or documentation to process my request.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
