Dear [Recipient's Name],

I am writing to formally request clearance for power line vegetation management in our area due to environmental concerns. It has come to my attention that overgrown vegetation surrounding the power lines poses a significant risk to both the environment and local wildlife.

We believe that proactive maintenance is essential to prevent potential hazards, including wildfires and the disruption of local ecosystems. Therefore, we kindly ask for your assistance in assessing and managing the vegetation near the power lines.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
