Dear [Recipient's Name],

I am writing to request tree trimming services for power line clearance at my property located at [Your Address]. I have noticed that some trees have grown too close to the power lines, posing a safety hazard as well as a potential disruption to service.

I would appreciate an inspection of the affected areas and a quote for the necessary trimming services. Please let me know your availability to schedule this assessment.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
