Dear [Utility Company's Contact Person],

I am writing to formally request the clearance of vegetation around the power lines located at [insert specific location]. Due to the recent growth of trees and shrubs, it has become imperative to ensure that there is sufficient clearance to maintain safety and service reliability.

In the interest of maintaining public safety and preventing potential power outages, I kindly request that your team assesses the situation and takes the necessary actions to trim or remove any obstructive vegetation.

I appreciate your attention to this matter and look forward to your prompt response. Please feel free to contact me at [phone number] or [email address] should you need any further information or to discuss this request.

Thank you for your cooperation.

Sincerely,

[Your Name]
