

Subject: Strategic Account Audit Suggestion

Dear [Recipient's Name],

I hope this message finds you well. As part of our ongoing commitment to enhancing our business relationships and optimizing account performance, I would like to propose conducting a comprehensive audit of our strategic accounts.

This audit will focus on:

- Current account performance metrics
- Opportunities for growth and improvement
- Customer feedback and satisfaction levels
- Competitive analysis

By undertaking this audit, we aim to identify strengths and weaknesses within our strategic accounts and develop tailored strategies to drive better results moving forward. I believe this could significantly benefit our partnership.

Could we schedule a meeting next week to discuss this suggestion in more detail? I am looking forward to your thoughts.

Best regards,
