

# Pre-Operative Care Instructions

Dear [Patient's Name],

We are pleased to inform you about your upcoming surgery scheduled for [Date] at [Time]. To ensure a smooth procedure and recovery, please follow the pre-operative care instructions below:

## Preparation Instructions:

- Do not eat or drink anything after midnight the night before your surgery.
- If you take daily medications, please consult with your physician about which medications you should take the morning of the surgery.
- Arrange for someone to drive you home after the procedure.
- Wear loose, comfortable clothing on the day of surgery.
- If you have any questions or concerns, please contact our office at [Phone Number].

## Day of Surgery:

- Arrive at the hospital at least [Time] before your scheduled surgery time.
- Bring a list of all medications you are currently taking.
- Leave valuables at home, and limit personal belongings to essentials.

Thank you for your attention to these important guidelines. We wish you a successful surgery and a smooth recovery!

Sincerely,

[Your Name]
