

Telemedicine Appointment Preparation Guide

Dear [Patient's Name],

Thank you for scheduling a telemedicine appointment with us. To ensure that your visit goes smoothly, please follow the guidelines below:

Before Your Appointment

- Make sure you have a stable internet connection.
- Download the telemedicine application [App Name] on your device.
- Test your microphone and camera functionality.
- Prepare a list of questions or concerns to discuss during your appointment.

Day of Your Appointment

- Log in to the application at least 10 minutes before your appointment.
- Find a quiet, well-lit space where you can talk comfortably.
- Have your medical history and current medications readily available.

Contact Information

If you have any questions before your appointment, please contact us at [Contact Information].

We look forward to speaking with you!

Best regards,
[Your Practice Name]
