

Referral Letter

Date: [Insert Date]

To: [Specialist's Name]

[Specialist's Address]

[City, State, ZIP Code]

Dear [Specialist's Name],

I am writing to refer my patient, [Patient's Name], who presented to my clinic on [Date of Initial Visit] with concerns regarding abnormal test results.

After conducting [specific tests conducted], it has come to my attention that we have found [brief description of abnormal test results]. Given the significance of these findings, I believe it is prudent for [Patient's Name] to undergo further evaluation and management under your care.

[Patient's Name] is [age] years old and has a medical history of [relevant medical history]. Currently, they are taking the following medications: [list medications].

I appreciate your expertise in this area and would value your insights regarding the next steps for [Patient's Name]. Please find attached the relevant test results and medical records for your review.

Thank you for your attention to this matter. Please feel free to reach out to me at [Your Phone Number] or [Your Email Address] if you need any further information.

Sincerely,

[Your Name]
