Dear [Recipient's Name],

I hope this message finds you well. I am writing to request information regarding the preparation required for a kidney evaluation. As I am scheduled for an upcoming assessment, I would like to ensure that I am fully prepared and compliant with all necessary protocols.

Specifically, I would appreciate guidance on the following:

- Required tests or screenings
- Dietary restrictions in the days leading up to the evaluation
- Medications to avoid prior to the assessment
- Any other instructions that I should be aware of

Thank you for your assistance in this matter. I look forward to your prompt response.

Sincerely,
