Dear [Recipient's Name],

Thank you for your participation in the recent autism spectrum assessment. We appreciate your openness and cooperation throughout the process. To ensure that we address any concerns and provide the best support moving forward, we would like to follow up with a few questions:

1. Were there any aspects of the assessment process that you found unclear or challenging?
2. Do you have any specific questions regarding the assessment results?
3. Are there particular areas of concern that you would like us to focus on as we develop a support plan?
4. How do you feel about the recommendations you received from the assessment?
5. Is there any additional information you believe is important for us to know?

Your feedback is invaluable in helping us support you effectively. Please feel free to respond at your earliest convenience. We look forward to hearing from you.
