

A1C Blood Test Results

Date: [Insert Date]

Patient Name: [Insert Patient Name]

Patient ID: [Insert Patient ID]

Dear [Patient Name],

We are writing to inform you of your recent A1C blood test results. The A1C test measures your average blood sugar levels over the past 2 to 3 months and is an important marker for diabetes management.

Your Results

A1C Level: [Insert A1C Level]%

Next Steps

- If your A1C level is below 5.7%, you are considered normal.
- If your A1C level is between 5.7% and 6.4%, you have prediabetes.
- If your A1C level is 6.5% or higher, you are diagnosed with diabetes.

Please schedule a follow-up appointment to discuss your results and potential next steps.

Thank you for taking control of your health.

Sincerely,

[Your Name]
