Dear [Editor's Name],

I hope this message finds you well. I am writing to formally request a reconsideration of my manuscript titled "[Title of Manuscript]" (Manuscript ID: [ID]), which was recently rejected on [Date of Rejection].

While I appreciate the reviewers' feedback, I believe that certain key points were not fully addressed in my initial submission. I have carefully considered their comments and have worked on revisions that I believe enhance the manuscript significantly.

In response to the specific concerns raised:

- [Summarize Reviewer 1's Comment and Your Response]
- [Summarize Reviewer 2's Comment and Your Response]
- [Summarize Reviewer 3's Comment and Your Response]

In light of these revisions, I kindly request that you reconsider the manuscript for publication in [Journal Name]. I believe the improvements made significantly strengthen the research contribution.

Thank you for your consideration. I look forward to your favorable response.

Sincerely,
