Dear [Recipient's Name],

I am writing to formally petition for relief from the interest on my existing debt with [Insert Name of Lender/Institution]. Due to [briefly explain your situation, e.g., economic hardship, job loss, medical expenses], I am struggling to meet my financial obligations.

My account number is [Insert Account Number], and I have made consistent efforts to manage my payments. However, the accumulating interest is becoming increasingly burdensome, and it hinders my ability to repay the principal amount.

I kindly ask for your consideration in reducing or eliminating the interest on my account. This adjustment would significantly improve my financial situation and allow me to make substantial payments toward the principal balance.

Thank you for your attention to this matter. I look forward to your positive response.

Sincerely,
