Subject: Debt Dispute Notice

Dear [Creditor's Name],

I am writing to formally dispute the validity of the debt you have claimed against me, referenced by account number [insert account number]. I request that you provide me with the documentation necessary to verify this debt as mandated under the Fair Debt Collection Practices Act (FDCPA).

Please consider this letter as a formal notice of my dispute. I have reasons to believe that this debt is inaccurate and I require your response within 30 days of receiving this letter to avoid further action.

Thank you for your prompt attention to this matter. I look forward to your response.

Sincerely,

[Your Name]
