

Subject: Job Offer Negotiation - Professional Development Opportunities

Dear [Hiring Manager's Name],

I hope this message finds you well. I would like to extend my gratitude for the job offer for the [Position Title] at [Company Name]. I am genuinely excited about the opportunity to contribute to your team and help drive success.

While reviewing the offer, I noticed that the professional development opportunities are not extensively mentioned. As someone who values continuous learning and growth, I would appreciate some clarification on the potential for professional development within the company.

Specifically, I am interested in understanding more about:

- Available training programs and workshops
- Opportunities for mentorship and coaching
- Support for pursuing additional certifications or education

I believe that with the right support and development opportunities, I can contribute even more effectively to the team's success. I would love to discuss how we can incorporate these elements into my offer.

Thank you for considering my request. I look forward to your response and hope to discuss this further.

Best regards,
