

# Freelance Proposal Feedback

Dear [Freelancer's Name],

Thank you for your proposal for the [specific project name]. We appreciate the time and effort you put into your submission.

After careful consideration, we have decided to move forward with another candidate. However, I wanted to provide you with some feedback that may be helpful for future proposals:

- **Clarity:** Some sections of your proposal were not clear. Consider providing more detailed examples to illustrate your points.
- **Budget Alignment:** Your proposed budget was higher than what we had allocated for this project. Reviewing similar projects may help with pricing.
- **Relevant Experience:** While you have impressive skills, we were looking for experience specifically in [mention relevant experience]. Highlighting that more could strengthen your proposal.

We encourage you to continue applying for other opportunities, and we wish you the best of luck in your future endeavors.

Thank you again for your interest in working with us.

Sincerely,
