Dear [Lender's Name],

We hope this message finds you well. We are writing to formally request an increase in our business credit line. As our business continues to grow, we have experienced an increase in demand for our products/services, which has led us to seek additional financial flexibility.

Our current credit line of [Current Credit Line Amount] has been instrumental in our operations, and with an increased credit line of [Desired Credit Line Amount], we believe we can enhance our cash flow, manage inventory, and invest in new opportunities that will drive further growth.

We have attached our latest financial statements, along with any other documentation needed to support our request. We appreciate your consideration of our application and look forward to discussing this matter further.

Thank you for your continued support.
