Dear [Recipient Name],

I am writing to formally request the removal of a tax lien from my credit report, which I believe is inaccurate and unjustified. The lien in question was filed on [Date of Tax Lien] and is associated with the following account number: [Account Number].

After reviewing my records, I found that the lien has been resolved as of [Date of Resolution], and I have attached relevant documentation to support my claim, including [List Attached Documents, e.g., payment confirmation, release of lien].

A tax lien can significantly impact my credit score and future financial opportunities. Therefore, I kindly ask that you review my case and remove the tax lien from my credit report.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
[Your Name]
