To Whom It May Concern,

I am writing to formally appeal the decision regarding my child support payments, which I believe is adversely affecting my credit rating. The case number is [Insert Case Number].

On [Insert Date of Decision], a determination was made that I owe a certain amount in child support. Due to [briefly explain reason, e.g., financial hardship, change in circumstances], I am unable to meet this obligation as currently established.

The impact of this decision has led to a significant decline in my credit score and financial standing, making it increasingly difficult for me to provide for my child. I am requesting a review of this decision and reconsideration of my payment amounts based on my current financial situation.

Attached are documents supporting my appeal, including [list enclosed documents, e.g., pay stubs, bank statements]. I am hopeful that upon review, a more manageable payment arrangement can be established.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
