

# Petition for Health Insurance Premium Reduction

Date: [Insert Date]

To Whom It May Concern,

I am writing to formally petition for a reduction in health insurance premiums for seniors in our community. Many seniors are struggling to afford the rising costs of healthcare, and a premium reduction would significantly alleviate financial burden.

As a senior citizen, I have witnessed firsthand the challenges faced by my peers in managing their healthcare expenses. The fixed incomes that many of us rely on make it increasingly difficult to cover essential medical costs.

We believe that a reduction in premiums would not only provide immediate financial relief but also improve overall health outcomes by ensuring that seniors can access necessary medical services without fear of excessive costs.

We respectfully request your consideration of this petition and urge you to take action to reduce health insurance premiums for seniors. Thank you for your attention to this important matter.

Sincerely,
