

Liability Coverage Insurance Checklist

For Freelancers

Date: _____

To: _____

From: _____

Checklist Items:

1. Identify your freelance services and associated risks.
2. Research insurance providers that specialize in freelance coverage.
3. Confirm the types of liability insurance available (General, Professional, Product).
4. Understand the coverage limits and exclusions of each policy.
5. Gather quotes from at least three different insurance providers.
6. Review policy terms and conditions carefully.
7. Check for any additional endorsements or riders needed.
8. Ensure the policy covers sub-contractors or employees, if applicable.
9. Consult with a legal or insurance advisor if necessary.
10. Finalize and purchase the chosen policy.
