

# Questions Regarding Health Insurance Options

Dear [Hiring Manager's Name],

I hope this message finds you well. I am writing to inquire about the health insurance options available as part of my potential employment with [Company Name]. I have a few questions I would appreciate clarification on:

1. What types of health insurance plans does the company offer?
2. Are there options for dental and vision coverage included?
3. What is the eligibility period for new employees to enroll in the health insurance plan?
4. What percentage of the premium does the company cover, and what will be my share of the costs?
5. Are there any wellness programs or incentives associated with the health insurance plans?

Thank you for your time and assistance. I look forward to your response.

Sincerely,

[Your Name]
