

Closure Letter

Dear [Group Name] Members,

As we come to the conclusion of our time together in this spiritual support group, I want to take a moment to reflect on the journey we have shared. Over the past weeks, we have created a space of openness, vulnerability, and growth. Each of you has contributed to this collective experience in meaningful ways.

I encourage you to carry forward the lessons and connections we have made here. Remember that the strength you discovered within yourself and amongst each other does not end with this group. It is a source of support that you can tap into anytime.

Thank you for your honesty, your courage, and your compassion. Please feel free to reach out if you'd like to connect again in the future or explore other opportunities for support.

Wishing you peace and continued growth on your spiritual journeys.

Warm regards,
