

Dear [Congregation Member's Name],

We value your thoughts and insights as a member of our congregation. To better serve our community and improve our activities, we invite you to share your feedback.

Please take a moment to consider the following questions:

- What aspects of our services do you find most beneficial?
- Are there areas where you feel we could improve?
- What new initiatives would you like to see in our congregation?

Your feedback is important to us and will be used to enhance our community experience. You can respond by email or drop off your thoughts in the feedback box located at the back of the sanctuary.

Thank you for being an active participant in our congregation!

Sincerely,
