XYZ Company

Business City, NY 67890

Dear Hiring Manager,

I am writing to express my enthusiasm for the Marketing Coordinator position at XYZ Company, as advertised on your careers page. As a proud graduate of ABC University, I was excited to see that several of your team members are also alumni, including Jane Smith and Mike Johnson, who were my mentors during my time at the university.

The collaborative spirit that we cultivated at ABC University resonates deeply with my professional experiences. My role as a Marketing Intern at DEF Corporation allowed me to apply the skills I honed in our shared coursework and develop campaigns that increased engagement by over 30%. I believe in the importance of fostering connections and creativity, much like the community we built at school.

I am eager to bring this same dedication and passion to the team at XYZ Company. I admire the innovative projects your company is known for and would love to contribute my marketing skills to further enhance your brand's reach and engagement.

Thank you for considering my application. I look forward to the opportunity to discuss how my background and experiences align with the goals of XYZ Company.

Sincerely,
John Doe
