

COVID-19 Safety Practices for Faith-Based Events

Dear [Faith Community/Leaders],

As we continue to navigate the challenges posed by the COVID-19 pandemic, it is imperative that we prioritize the health and safety of our congregation during faith-based events. To ensure a safe environment, we are implementing the following safety practices:

- All attendees must wear masks at all times while indoors.
- Social distancing of at least 6 feet should be maintained.
- Hand sanitizing stations will be available throughout the venue.
- We encourage attendees to stay home if they are feeling unwell or displaying any symptoms of illness.
- Limitations will be placed on the number of attendees to ensure adequate space.
- Outdoor services will be encouraged whenever possible.
- Regular cleaning and disinfecting of high-touch surfaces will be conducted.

Your cooperation and commitment to these safety measures are crucial in helping us protect one another and reduce the risk of COVID-19 transmission within our community.

Thank you for your understanding and support as we strive to create a safe and welcoming environment for all.

Sincerely,
