

Health Guidelines for Community Religious Ceremonies

Date: _____

To: [Community/Religious Organization Name]

Dear [Community Leaders/ congregation],

In light of recent health considerations and to ensure the safety of all participants during our upcoming religious ceremonies, we kindly ask you to adhere to the following health guidelines:

1. Mask Mandate

All attendees are required to wear masks at all times during the ceremonies.

2. Social Distancing

Please maintain a minimum distance of 6 feet from those not in your household.

3. Sanitization Stations

Hand sanitizing stations will be available at the entrance of the venue. All attendees are encouraged to use them frequently.

4. Health Screening

All participants will undergo a brief health screening upon arrival. Anyone exhibiting symptoms will be asked to reschedule their attendance.

5. Capacity Limitations

To avoid overcrowding, we will limit the number of participants. Please RSVP to confirm your attendance.

6. Virtual Participation

For those who prefer to remain at home, we will offer live streaming of the ceremonies. Please check our website for links.

We appreciate your cooperation in ensuring a safe and healthy environment for our community.
Thank you for your understanding and support.

Sincerely,

[Your Name]
