

Health Precautions for Worship Services

Dear Worship Service Attendees,

As we gather for worship, the health and safety of our community remains our top priority. In light of ongoing health concerns, we ask that all attendees adhere to the following precautions:

- **Mask Wearing:** Please wear a mask at all times while inside the worship space.
- **Social Distancing:** Maintain a distance of at least 6 feet from others whenever possible.
- **Hand Sanitization:** Use hand sanitizer stations located at entrances and throughout the venue.
- **Temperature Checks:** Expect to have your temperature checked upon arrival.
- **Stay Home if Unwell:** If you are feeling unwell or have been in contact with someone who tested positive for any contagious illness, please stay home.

We appreciate your cooperation in keeping our community safe. Thank you for your understanding and support.

Sincerely,
[Your Organization/Church Name]
