

Safety Instructions for Church Gatherings

Dear Congregation,

As we prepare to resume our church gatherings, we want to ensure the safety and well-being of all attendees. Please carefully review the following safety instructions:

Before the Gathering

- If you feel unwell or exhibit any symptoms of illness, please refrain from attending.
- Register your attendance in advance to help us manage capacity safely.
- Wear a mask that covers your mouth and nose at all times.

During the Gathering

- Practice physical distancing by maintaining at least 6 feet of space between individuals from different households.
- Use hand sanitizer stations available throughout the premises.
- Avoid physical contact such as hugging or shaking hands.

After the Gathering

- Exit the building in an orderly manner, maintaining distance from others.
- Consider attending gatherings virtually if you are unsure about your health.

We appreciate your cooperation as we navigate these challenges together. Let us continue to support one another in faith and fellowship, while prioritizing our safety.

Sincerely,
[Your Church Name]
