

Suggestion for Optimized Job Title

To [Manager's Name],

I hope this message finds you well. I would like to take a moment to discuss my current role and responsibilities within the team.

Given my involvement in [list specific responsibilities], I believe an optimized job title would better reflect my contributions and responsibilities. I suggest the title "**[Proposed Job Title]**" as it encompasses the essence of my role more accurately.

Not only does this title align with my duties, but it also positions the role in line with industry standards, which may enhance our team's visibility and facilitate future recruitment efforts.

Thank you for considering my suggestion. I am looking forward to your feedback.

Sincerely,
[Your Name]
