Dear [Recipient Name],

I hope this letter finds you well. I am writing to propose a trade agreement between our companies that prioritizes sustainable practices and responsible sourcing. As we strive to reduce our environmental footprints, I believe this partnership would benefit both companies while also promoting ecological responsibility.

The key points of the proposed agreement include:

- Commitment to sustainable sourcing and procurement.
- Regular assessments of environmental impact and collaboration on improvement initiatives.
- Shared resources and knowledge on sustainable technologies and practices.
- Joint marketing efforts highlighting our commitment to sustainability.

I am confident that by working together, we can enhance our brands while making a positive impact on the environment. I would appreciate the opportunity to discuss this proposal further and explore how we can align our goals.

Please let me know your availability for a meeting or call next week. Thank you for considering this opportunity for collaboration.

Sincerely,
