

Dear Team Members and Parents,

As we gear up for the upcoming season, we want to take a moment to remind everyone of the rules and expectations for our team. Adhering to these guidelines is crucial for maintaining a positive and respectful environment for all players.

Team Rules:

1. **Respect:** Treat teammates, coaches, and opponents with respect at all times.
2. **Attendance:** Attend all practices and games unless prior notice is given.
3. **Sportsmanship:** Display good sportsmanship, win or lose.
4. **Effort:** Give 100% effort in both practices and games.
5. **Communication:** Keep open lines of communication with coaches regarding any issues or concerns.

Please take a moment to review these rules with your child. A signed acknowledgment of the team rules will be required prior to the first game.

Thank you for your cooperation and support. Let's make this season successful!

Go Team!

Best Regards,
