

Dear Team Members and Parents,

As we prepare for the upcoming season, we want to ensure the health and safety of our players, coaching staff, and families. Below are the precautionary measures we will be implementing:

Health Guidelines

- Daily health screenings for all players and coaches.
- Mandatory wearing of masks when not actively participating in practice or games.
- Hand sanitizing stations will be available at all practices and games.

Social Distancing

- Players will be spaced at least 6 feet apart during drills and exercises.
- Limit contact during warm-ups and training sessions.
- Parents and spectators are encouraged to maintain social distancing during games.

Equipment Safety

- All sports equipment will be sanitized before and after each practice and game.
- Players are encouraged to bring their own personal water bottles.

We appreciate your cooperation in keeping our team community safe. If you have any questions or concerns, please feel free to reach out.

Best regards,
