Subject: Resignation Due to Ethical Concerns

Dear [Manager's Name],

I am writing to formally resign from my position at [Company's Name], effective [Last Working Day, typically two weeks from the date above]. It is with a heavy heart that I make this decision, as I have greatly valued my time at the company and the opportunities I have been afforded.

However, I feel compelled to resign due to ethical concerns regarding recent company practices that I believe do not align with my personal values and professional integrity. Despite my love for my role and responsibilities, I cannot reconcile my conscience with the direction these practices seem to take.

I appreciate the experiences I have gained and the relationships I've built during my time at [Company's Name]. I wish the company success in addressing these issues and hope that positive changes can be made moving forward.

Thank you for your understanding.

Sincerely,

[Your Name]
