

Confirmation of Account Security Improvement

Dear [Recipient's Name],

We are pleased to inform you that your account security has been successfully improved as per your request. The following changes have been implemented:

- Enhanced password requirements
- Two-factor authentication activated
- Regular security audit scheduled
- Account activity notifications set up

If you have any questions or need further assistance, please do not hesitate to contact our support team.

Thank you for prioritizing your account's security.

Best regards,
