

Important Update Regarding Your Account Security Features

Dear [Customer Name],

We are reaching out to inform you about some important updates to the security features of your account. At [Company Name], we take your security very seriously and continuously strive to enhance our protective measures.

New Security Features:

- **Two-Factor Authentication:** We now offer two-factor authentication for an added layer of security.
- **Real-Time Account Monitoring:** Receive instant alerts for any suspicious activity detected.
- **Security Question Updates:** You can now update your security questions from your account settings.

To activate these features, please log in to your account and navigate to the security settings section. If you have any questions or need assistance, feel free to contact our support team.

Thank you for choosing [Company Name]. Your security is our top priority.

Sincerely,
The [Company Name] Team
