Dear [Healthcare Provider's Name],

I hope this message finds you well. I am writing to follow up regarding my [specific test or procedure, e.g., blood tests, MRI] conducted on [date of the test]. As I have not yet received the results, I wanted to check in to see if they are available.

If the results are ready, I would appreciate it if you could share them with me at your earliest convenience. Additionally, if a follow-up appointment is necessary to discuss the findings, please let me know.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
