Dear [Recipient's Name],

I hope this message finds you well. I am writing to formally request my opt-out from the in-person game program scheduled for [insert date or season].

Due to [reason for opting out, if comfortable sharing], I would prefer to refrain from participating in the in-person events this season. I appreciate your understanding and support regarding my decision.

Thank you for accommodating my request. I look forward to continuing my involvement with the team in other capacities.

Best regards,
