Dear Customer Service Team,

I am writing to formally cancel my digital subscription to [Magazine Name], account number [Insert Account Number], due to insufficient updates and lack of relevant content.

While I appreciate the effort put into your publication, I have found the frequency and quality of updates not aligned with my expectations. Unfortunately, this has led me to make the decision to discontinue my subscription.

Please consider this letter as my official request for cancellation. I would also appreciate confirmation of the cancellation and any additional information regarding the process.

Thank you for your assistance.

Sincerely,
