Subject: Impact Statement for Proposed Modifications in Extracurricular Activity Rules

Introduction

This statement addresses the proposed modifications to the rules governing extracurricular activities within [School/Organization Name]. We believe these changes will significantly impact student engagement, well-being, and overall participation.

Current Rules Overview

The current guidelines for involvement in extracurricular activities, including [list specific rules], have presented challenges such as [describe challenges faced by students or the organization].

Proposed Modifications

The proposed modifications include [list modifications], aimed at making participation more inclusive and accessible.

Expected Impacts

We anticipate the following positive impacts from these modifications:

- Increased student participation by [reason].
- Enhanced skill development through [reason].
- Improved mental health and social connections due to [reason].
- Greater diversity and inclusivity in extracurricular offerings.

Conclusion

In conclusion, we believe that these modifications will have a positive impact on our student body and the community at large. We welcome any feedback and discussion regarding these proposed changes.

Sincerely,

[Your Name]
