[Address]

Dear [Recipient's Name],

I am writing to propose my project for the upcoming science fair, titled "[**Project Title**]." The objective of this project is to explore [briefly describe the focus of your project, e.g., the impact of plastic waste on marine life].

Through this project, I aim to investigate [elaborate on your research question and methodology, e.g., the extent of pollution in local waterways and its effect on aquatic ecosystems]. This study is significant because [explain the importance of the project in the context of environmental studies, e.g., it raises awareness about pollution and encourages sustainable practices].

I plan to conduct my research by [provide a brief description of your research methods, e.g., collecting water samples, conducting surveys, and analyzing data]. I anticipate that this project will not only enhance my understanding of environmental issues but also contribute valuable insights to our community.

I appreciate your consideration of my proposal. I am looking forward to presenting my findings at the science fair.

Thank you for your time.

Sincerely,

[Your Name]
