Dear [Alumni Name],

I hope this message finds you well. My name is [Your Name], and I am currently a student at [University Name] in the [Your Program] program. As I progress through my studies, I am reaching out to seek your support in providing a testimonial based on your experiences.

Your journey and accomplishments since graduating have inspired many current students like myself, and I believe your insights could be invaluable in helping us better navigate our own career paths. In particular, I am interested in your thoughts on how our program has prepared you for the workforce and any advice you may have for students seeking networking opportunities.

If you are willing to contribute, I would appreciate a few sentences regarding your experience and how it has shaped your professional journey. Your testimonial can be shared on our university's alumni network and could greatly benefit students seeking guidance.

Thank you for considering this request. I look forward to your positive response.

Best regards,
