

# Summer Camp Health and Safety Guidelines

Dear Parents and Campers,

As we prepare for an exciting summer at [Camp Name], we want to share our health and safety guidelines to ensure a safe environment for all participants.

## Health Guidelines

- All campers must complete a health questionnaire prior to arrival.
- Campers exhibiting symptoms of illness (fever, cough, etc.) should stay home.
- We will have regular health checks throughout the camp session.

## Safety Guidelines

- All activities will be supervised by qualified staff.
- Campers must wear appropriate safety gear during activities.
- Emergency contacts and procedures will be reviewed on arrival.

## Emergency Procedures

In case of an emergency, we have protocols in place. Our staff is trained to handle various situations to ensure campers' safety at all times.

## Closing

Thank you for your cooperation in following these guidelines. We look forward to a fun and safe summer camp experience!

Sincerely,

[Your Name]
