Dear [Recipient's Name],

I am writing to propose the expansion of bicycle lanes in [specific area or route]. As increasing numbers of residents embrace cycling as a sustainable mode of transport, it is imperative that our infrastructure evolves to accommodate this shift. Expanding the bicycle lanes will not only promote a healthier lifestyle but also reduce traffic congestion and pollution.

The current bicycle lanes in [mention any current concerns like safety or insufficient space] have proven inadequate for the growing cycling community. By expanding these lanes, we can enhance safety, encourage more residents to cycle, and foster a greener environment.

We suggest the following actions:

- Widen existing lanes to provide safer passage.
- Implement dedicated signage for cyclists.
- Increase maintenance efforts for clean and debris-free lanes.

We firmly believe that this expansion will greatly benefit our community. I would appreciate the opportunity to discuss this proposal further and explore potential funding sources.

Thank you for considering this important initiative. I look forward to your response.

Sincerely,

[Your Name]
