Subject: Commitment to Uphold Workplace Policies Against Gender-Based Violence

Dear [Recipient Name],

I am writing to affirm my commitment to our organization's policies against gender-based violence (GBV) and to create a safe and respectful workplace for all employees. I recognize the importance of fostering an environment that is free from harassment and violence, and I believe it is crucial to actively promote awareness and prevention of GBV.

I pledge to:

- Adhere to all workplace policies and protocols designed to prevent and address gender-based violence.
- Participate in training and workshops to enhance my understanding of GBV and learn effective bystander intervention strategies.
- Support colleagues who may be affected by GBV and ensure they are aware of available resources and reporting mechanisms.
- Help cultivate a workplace culture that champions equality, respect, and inclusivity.

Together, we can ensure that our workplace is a safe haven for everyone, free from the threat of violence and discrimination. Thank you for your commitment to this crucial cause.

Sincerely,

[Your Name]
