Dear [Recipient's Name],

I am writing to inquire about the mental health services available to inmates at [Facility Name]. As someone concerned about the well-being of those incarcerated, I would like to understand the types of mental health support that are provided, including counseling, therapy, and psychiatric care.

Specifically, I would appreciate information on the following:

- The types of mental health assessments conducted upon intake.
- The qualifications of the mental health professionals on staff.
- The availability of individual and group therapy sessions.
- Programs aimed at addressing specific mental health issues.
- The process for inmates to access these services.

Thank you for your attention to this matter. I look forward to your response and any relevant information you can provide.

Sincerely,

[Your Name]
