Dear [Recipient Name],

I am writing to formally appeal for an increase in the healthcare budget for [specific department or facility]. As you are aware, our healthcare system has been facing significant challenges due to [briefly state reasons, e.g., rising patient numbers, increased costs, etc.].

Over the past year, we have witnessed a growing demand for [specific services] which has placed a strain on our current resources. An increase in our budget would allow us to adequately address these needs, improve patient care, and ensure the health and safety of our community.

Furthermore, investing in [specific programs or services] has been shown to yield long-term benefits, including [state expected outcomes, e.g., improved patient outcomes, reduced emergency room visits]. I believe that with your support, we can make a significant impact on the health and well-being of our constituents.

Thank you for considering this appeal. I am hopeful for your favorable response and would be happy to discuss this matter further at your convenience.

Sincerely,
