Dear Members of the Scholarship Committee,

Subject: Appeal for Scholarship Rejection

I hope this message finds you well. I am writing to formally appeal the decision regarding my scholarship application for the [Scholarship Name]. I was recently informed of my application's rejection, and I wish to present additional information that I believe may support my case.

Despite my disappointment with the initial outcome, I remain passionate about my education and the goals I have set. I understand that the selection process is highly competitive, but I would like to provide further context regarding my circumstances that may not have been fully considered in my original application.

[Briefly explain any additional information, changes in your situation, or clarifications about your application. Be concise and respectful.]

I sincerely appreciate the time and effort the committee devotes to reviewing applications and understand the challenges faced in making such decisions. I would be grateful if my appeal could be reconsidered in light of this new information.

Thank you for your attention to my appeal. I look forward to your positive response and hope for the opportunity to demonstrate my qualifications further.

Warm regards,
