Dear Members of the Board,

I hope this letter finds you well. I am writing to formally appeal my property tax assessment for the tax year [Year] regarding my property located at [Property Address]. As a senior citizen, I am concerned about the financial burden that the current assessment places on me.

My property assessment has been valued at [Current Assessed Value], which I believe does not accurately reflect the current market value. After conducting research and reviewing comparable properties in my area, I have found that the fair market value should be closer to [Proposed Assessed Value].

I have enclosed supporting documents, including recent appraisals, comparable sales data, and any relevant financial statements that demonstrate my current economic situation and highlight the challenges faced by senior citizens.

I kindly request a reassessment of my property based on this information. I would greatly appreciate your attention to this matter as I navigate this financial burden as a senior citizen.

Thank you for considering my appeal. I look forward to your prompt response.

Sincerely,

[Your Name]
